

Guidance for Sacramento County Schools During Wildfire Smoke Events

This information sheet provides resources for school officials to help make decisions about school activities and closures during a wildfire smoke event.

For current information on fires, smoke and air quality, visit EPA's AirNow website at <https://fire.airnow.gov>

For information on local air quality and other wildfire resources, visit Sac Metro Air District's website at AirQuality.org and click on the Wildfire Smoke Information link

To address immediate public health concerns and wildfire smoke, call the Sacramento County Public Health Office at (916) 875-5881

For information on limiting smoke exposure, visit the Sacramento County Public Health Department website and search for Wildfire Smoke Exposure

For general inquiries, call Sac Metro Air District's main line at (916) 874-4800

Smoke Sense

For current smoke and air quality information, download the free EPA Smoke Sense app on Google Play, the App Store and the Windows Store

For current local air quality, download the free Sacramento Region Air Quality App on Google Play, the App Store, and the Windows Store
